Dear Sir or Madam:

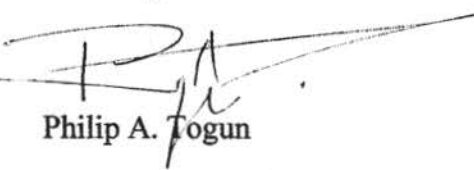

Re- Dismissal of Petition for Closed Captioning Exemption
Case Identifier: CGB-CC-0722; CG Docket No. 06-181

Thank you for your letter dated February 6, 2014 informing us that our **"petition for exemption from the FCC's closed captioning rules has been dismissed as incomplete."** We did provide information about the costs associated with captioning our program but getting captioning assistance from the T.V. stations that air our program and seeking additional sponsorship sources have not been feasible.

Our only option is to comply with the FCC directive even if it means drastically adjusting our current programming schedule. We would appreciate it very much if you can give us a **transition period, until December 2014, so that the directive becomes effective on January 1st 2015.**

We often repeat our programs, so we have a lot of backlog that will need to be close captioned, and we have some current finished new programs yet to be aired but also not close captioned. The transition period will enable us to have everything in place by January 2015. **Your kind consideration will be greatly appreciated.**

Sincerely,

Philip A. Togun
